WORK EXPERIENCE

As a student at Full Sail University, I have developed a strong, well-rounded knowledge of the camera and lighting departments. I have worked in a variety of different settings including film, live production, run and gun videography, and broadcast.

Providing support for student film projects, I have logged many hours in leading roles including camera operator, director of photography, grip, electrician, and others. I have had hands-on experience with professional brands such as Arri, Sony, Canon, Mole Richardson, and Aputure.
